Dues to the Missouri Telecommunications Industry Association are not deductible as a charitable contribution for federal income tax purposes, but may be deductible as an ordinary and necessary business expense. A portion of dues, however, is not deductible as an ordinary and necessary business expense to the extent that Missouri Telecommunications Industry Association engages in lobbying. The non-deductible portion of dues for 2016 is five percent (5%).

For additional information on membership, please call the MTIA Office at (573) 634-2527/Fax (573) 634-5792.
